Lions Governor On Visit To Pahokee

Fred Monahan, of Fort Pierce, governor of Lions District 35-S, paid an official visit to the Pahokee Lions Club at the Tuesday luncheon meeting. In his address to club members the district governor reported on the progress made in club activities within his district during the past year. Following the luncheon he met with the club's board of directors and heard activity reports of chairmen of standing committees and plans for the future.

It was announced the Pahokee club will elect a new slate of officers at the April 26th meeting; also that a district meeting will be held in Belle Glade April 24, with all Lions and their wives within the district invited to attend.

Folk Festival To Folk Festival To

WHITE SPRINGS!—There will be a pleasant Georgia flavor to the three-day Florida Folk Festival at the Stephen Foster Memorial here May 6-7-8, according to Thelma A. Bolin, special events director at the State of Florida music shrine on the Suwannee River.

"Participants will come from at least six or seven Georgia communities to sing, dance, tell folk tales or perform in other ways," Miss Bolin said. "We are always glad to have these Georgia neighbors with us," because our two states have much in common, including the Suwannee River, which rises in the Okefenokee Swamp."

The colorful event is staged every May during National Music Week on a shady knoll overlooking the historic Suwannee which Stephen Foster made famous with his classic "Old Folks at Home."

More than a thousand participants will come from dozens of cities, towns and communities throughout Florida, Miss Bolin said. There will be folk dancers, square dancers and school groups performing their rope skipping and singing games. Music and rhythm will come from the dulcimer, the harmonica, banjo, Irish harp, Jew's harp, quill blowers and straw beaters, as well as from more conventional instruments such as the fiddle, guitar and mandolin. A whip cracker and a water witcher will add zest to the varied programs which are scheduled during the week-end.

Many national and racial groups will be seen and heard, including a group of Seminole Indians from deep in the Everglades, and a Creek from Oklahoma, Miss Bolin said.

The cane harvesting season of the U. S. Sugar Corp. is scheduled to close on Sunday, April 24. Several acres of cane were lost in the cold weather but reports from the head office are to the effect that this has been an unusually good season for the sugar company.

Salvatore Against City Manager

Pahokee 40-year resident Carmen Salvatore in announcing his candidacy for Mayor of Pahokee has taken a definite stand against employment of a city manager in that city. Mr. Salvatore said: "I honestly believe that city officials elected to office can operate the city efficiently and economically under the present set-up if they will amply themselves and execute the duties of the office they seek. Therefore, I am against employment of a city manager."

The mayoralty candidate pointed to his more than 20 years of public service in asking voters to consider his candidacy for the city's highest job. He pointed out that he had served 16 years on the school board, and nine years on the drainage district. He promised courteous and efficient administration of the Mayor's duties if elected to that office.

Amateur Show By Youth Group

Members of the Pahokee Intermediate Methodist Youth Fellowship at a meeting at the home of Mrs. Walter Lowe, counselor, voted to sponsor an amateur show, featuring local talent, the show to be presented in the social hall of the church May 23 at 8 p. m. Bad Checks Costs Merchants Millions

JACKSONVILLE — Directors of the Florida Retail Federation of the Florida State Chamber of Commerce have established a committee to draft a program to combat losses resulting from bad checks, shoplifting and other forms of theft.

The group, headed by Jim McCouch of Tampa, was asked to report at the board's next quarterly meeting July 8. Also on the committee are Thor B. Behren of Miami and Colby Armstrong of Tampa.

The committee members estimated Florida merchants would lose an average of one per cent of their \$13 billion sales volume to theft of one kind or another.

Annual Boy Scout Social On Friday

The annual boy scout social was held on Friday night at the City Park. Approximately 75 scouts and their dates attended. Swimming was kinda chilly but most everyone joined in the fun. Afterwards a brief scout ceremony was held, then hot dogs were roasted, which were served with the trimmings of baked beans, cole slaw, potato chips, pegiscolas, marshmallows, donuts and cake. Then we had a play period when the girls joined in some of our scout games. The party ended with a bus ride home on "Lizzie No. 2." Those assisting Scoutmaster Mims and Carver were Mrs. Robert Simonson, Mrs. Wheeler Ludlum, Mrs. Roy Vandegrift, Jr., and Mrs. Ed Carver. A good time was had by all.

A board of review was held on Monday night for advancement in ranks or to obtain merit badges. The following boys attended: John Cook, David Beede, Joe Graham, Jim Tyson, Billy Boe, Eugene Cooper, Dorsey Thompson and Wayne Ludlum. Did you ever wonder what happens at a board of review? Well, you spend 25c for a book on a merit badge of your choice, then you study like mad for sometimes months. You get your merit badge application signed by your counselor and then comes the board review. You dress up in your uniform and hope the board, which is made up of troop committeemen will ask you the questions from the book that you have studied. If you pass, in about a couple of weeks you get your award and if not you study some more and come next board review you are there again and have another try at it.

The flag sale being put on by the troop began on Saturday. To all those who have bought flags we say thank you as well as to those who will purchase flags at a later date. We appreciate most kindly the courtesy you have shown us and even if you don't buy one we appreciate the time you gave us to give you our sales speech.

Christian Science Group Of Canal Point

How striving for spiritual perfection gives life new meaning and purpose will be explained at Christian Science services this Sunday.

Readings from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon on the subject "Probation After Death."

One verse to be read from the Bible states (Matt. 5:48): "Be ye therefore perfect, even as your Father which is in heaven is perfect."

Correlative citations from Sci-

ence and Health will include the following: "The divine demand, 'Be ye therefore perfect,' is scientific, and the human footsteps leading to perfection are indispensable" (253:32-2).

The Golden Text is from Matthew (24:13): "He that shall endure unto the end, the same shall be saved."

F. W. Hand was able to return to his home this week from the Everglades Memorial Hospital where he was a patient for several days.

W. W. White, principal of Canal Point School, and Mrs. White are attending the meeting of the Florida Educational Association in Miami Beach this weekend.

Million To Draw Tourists To State
